

Risking the Wild

Any wild cards in an opponent's hand at the end of a round are counted as negative 30 points.

Storyteller

If a person can tell the story of the Scéal they have in their point field, they receive 20 points in addition to the 40 points of the Scéal. All stories can be found on Celtic Life & Heritage Foundation's website.

The Collector

If all the cards of a suit are collected in a single player's (or team's) point field at any time throughout the four rounds of a game, they must announce they have achieved the collection. Only the first person to announce the collection is appointed the title and receives 60 bonus points. Once a title is appointed, it is no longer available for the rest of the game.
