

Story Flip Book Project

Create a legend story flip book. Each page of the flip book is longer than the last so all pages can be seen.

Drawings / artwork / pictures can be on separate pages or on the same page as the story.

At the bottom of each page include a subject title.

The last page includes the moral. What can we learn from the story that can be applied to life today?

Total pages between 8-10 including the Title page.
