## **Interview Questions**

Do you know the origins of the family and where they lived?

Who were the oldest members of your family that you personally knew? Tell me about them.

What is a story about a relative that took place the furthest back?

Do you have any family documents, like a birth certificate, marriage license, death certificate, family bible, yearbook, etc.?

Has anybody in the family ever done a family tree?

What was your favorite family tradition growing up?

Do you know what your ancestry makeup is? Where have you heard that your family is from?

Do you know when your ancestors came to the U.S.? Have you heard about their journey?

Can you remember any stories that were told to you as a child (fictional or real life)?

Did anybody in your family serve in the military?

Were you ever in the newspaper or on TV?

Did you used to travel to visit family growing up? If so, who did you visit and where were they located?

Where were you born? What places have you lived?

Do you know if you have any family members that live overseas? If so, what is their name and relation to you? Where do they live?
