

Art Show Name _____

Art Show Theme _____

Design the space where the artwork will be exhibited.

Step One: Map out the size of the space available on graph paper.

Step Two: Collect information from the artists and complete the table (pg 2).

Step Three: Determine where each art piece will go on the walls.

Step Four: Draw a basic idea of the wall backgrounds including what will be included on the title wall.

Step Five: Create the wall backgrounds for the art pieces

Step Six: Create the title wall using elements from artwork.

Partner with:

Artists - Complete the table above with information provided by the artists.

Copy Writing/Labels Team - Let them know the size of the labels.

Marketing Team - Let them know the color theme of the exhibit and the dimensions of the title wall (so they know the space to allow for the flyer).
